CLASS A 1A sound, healthy man is never a
back number. A man can be as vig-
orous and able at seventy as at twenty.
Condition, not years, puts you in the
lead. A system weakened by
overwork and careless living brings
old age prematurely. The bodily func-
tions are impaired and unpleasant
symptoms appear. The weak spot is
generally the kidneys. Keep them
clean and in proper working condition
and you will generally find yourself in
Class A 1. Take GOLD MEDAL Har-
len Oil Capsules periodically and
your system will always be in work-
ing order. Your spirits will be en-
livened, your muscles supple, your
mind active and your body capable of
hard work.Don't wait until you have been re-
jected. Commence to be a first-class
man now. Go to your drugist at
once. Get a trial box of GOLD MED-
AL Harlen Oil Capsules. They are
made of the pure, original, imported
Harlem Oil—the kind your great
grandfather used. Two capsules each
day will keep you toned up and feel-
ing fine. Money refunded if they do
not help you. Remember to ask for
the imported GOLD MEDAL Brand,
in three sizes, sealed packages.TO

PERUNA

Read this letter from Mr. Robt.
Minnick, Grass Range, Montana."In 1906 I was out in Kansas
running a threshing engine and
the threshing crew had to sleep
out of doors. One of the crew
brought a Peruna Almanac to
the engine one day and I was
feeling very ill from sleeping
out. I decided to give Peruna a
trial and sent for a bottle of Per-
una and a box of Peruna Tab-
lets, which straightened me out
in a hurry.""I have never been down sick
since that time. I do not take
any other medicines except Per-
una. I always keep it on hand
if I get my feet wet, get a cold,
feel chilly, or a little bad. I al-
ways take Peruna. People should
not wait until they are down
sick and then take it, but should
keep it on hand like I do and
when they feel bad, they should
use it."Recommended for Catarrhal
inflammation of every description.
